Walter Platzer
Managing Partner

"At Grant Thornton we work closely with management to understand the issues our clients face. We are at the forefront of professional development and take an active role in consulting and commenting on new regulations. Our longstanding and broad experience forms the basis of our ability to give valuable and independent advice to our clients.

"Our clients operate in a business environment that is characterised by its increasing complexity and international nature. As their partners we combine local expertise with the capability of a leading international network that shares our values."

Walter Platzer

Who we are

Grant Thornton Unitreu originated from the merger of the Austrian audit and tax advisory firms Grant Thornton (founded in 1955 and joined Grant Thornton in 1990) and Unitreu in November 2010.

We offer audit, tax, advisory and outsourcing services to a diverse client base including public companies as well as privately held businesses.

Where we are

Our main office is located in Vienna. In addition we have an office in Bruck/Leitha. We service clients throughout Austria.

Why Grant Thornton

We focus on privately owned businesses and offer a personalised and tailored service approach. All our client relationships are partnerships. They are based on personal commitment, expertise, diligence, service quality, trust and confidentiality.

With over 100 employees at Grant Thornton Unitreu, our highly skilled auditors and advisors go out of our way to help build our clients' success. Our clients' needs are paramount. Our tried and tested partner-led teams stand for a risk-oriented audit approach and a solution-oriented consulting approach. In providing tailored services to clients the engagement partner can access a pool of specialist knowledge within Grant Thornton Unitreu and on an international level.

Our clients

We focus on dynamic, ownership-based corporations with an international orientation as well as on small and medium-sized enterprises.

How we work

Grant Thornton Unitreu itself is a medium-sized enterprise. This means we know all about entrepreneurial thinking, much to the benefit of our clients. A personal engagement partner is assigned to each client, who ensures that all services are perfectly dovetailed with one another and meet our high standards. In providing tailored services to clients, the partner can access a pool of specialist knowledge within Grant Thornton Unitreu and on an international level.

What we do

Our range of professional services includes:

Assurance

- audit of financial statements according to Austrian GAAP/IAS and IFRS
- audit of the internal control system

Our global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 40,000 Grant Thornton people, across over 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
