How we work

As well as supporting our clients' accountancy needs, we often act as business and strategic advisers, helping clients to grow and develop at the pace they want. This is a key element of our service, and adds considerable value to our clients' businesses. Our priority is to understand your business, working with you and your key people, so that any work we undertake for you is produced quickly and accurately.

What we do

We offer solutions to our clients through a variety of services:

Assurance

- audit and assurance
- internal controls.

Tax

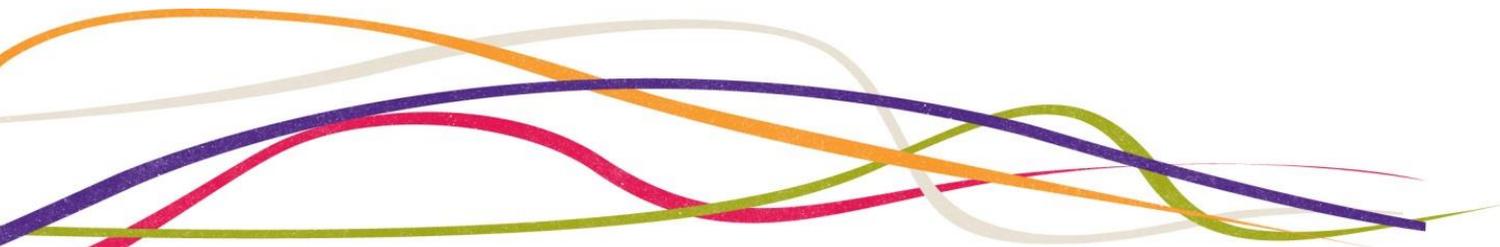

- corporate tax
- individual tax
- national and international tax
- planning
- preparation and/or review of tax returns
- tax compliance.

Advisory services

- recovery & reorganisation
- valuations.

Other services

- business advisory services
- company management
- fund administration
- payroll services.

Our global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. Over 42,000 Grant Thornton people, across more than 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
