"Wherever you choose to do business, you want access to people with the best ideas and critical thinking that will enable you to grow – strategically, operationally and, ultimately, financially at home and abroad. Our international business centre (IBC) in Amsterdam provides our clients a gateway to the global resources, knowledge and solutions of Grant Thornton."

Who we are

Grant Thornton Netherlands is a top 10 accounting and consulting firm providing audit, tax, advisory and interim management services. We offer a full range of services to dynamic organisations, varying from privately held businesses, medium-sized and large national companies and international enterprises. We help our clients unlock their potential for growth. Our employee network consists of over 850 accountants, fiscal, legal and corporate finance professionals as well as specialists and interim managers.

ConQuaestor (the Dutch consulting firm) joined Grant Thornton Netherlands in July 2013. They offer strategic and organisational solutions in the private and public sectors.

Where we are

Our offices are in Amsterdam, Alphen aan den Rijn (headquarters), Boskoop, Enschede, Gouda, Leiden, Rijswijk, Rotterdam and Woerden. ConQuaestor headquarters is located in Utrecht.

How we work

Dynamic organisations know they need to apply both reason and instinct to decision making. At Grant Thornton, this is how we advise our clients every day. We combine technical expertise with the intuition, insight and confidence gained from our sector experience and a deeper understanding of our clients. Through empowered client service teams and approachable partners, we provide a wider point of view. The real benefit for organisations is meaningful, forward-looking advice that can help to unlock our clients' potential for growth.

Our advisors have a passion for results in their work, and expect our clients challenges to be more than just adding up the figures and applying the right regulations. Involved and committed, our accountants and advisors excel at assessing the entrepreneurial developments and challenges at hand, both nationally and internationally.
