- internal audits
- review, compilation & audit of financial statements
- special purpose audits (including management, procurement, human resource & technical audit).

Tax

- advisory
- direct and indirect taxes
- domestic and international taxation
- expatriates and personal taxes
- latest tax developments
- personal and corporate taxes
- planning and compliance
- representation and litigation
- tax due diligence
- tax optimisation strategies
- tax maximising.

Our global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 42,000 Grant Thornton people, across over 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
