Who we are

Grant Thornton Tunisia is a leading Tunisian audit, outsourcing and business advisory firm. It is an independent firm employing over 50 people, including five chartered accountants providing assurance, tax and advisory services to privately held businesses, state owned companies and public sector organizations.

Where we are

Our office is situated in the capital Tunis, five minutes away from the international airport.

How we work

We believe that sustaining long term growth in successful organisations means looking simultaneously at many different aspects of the business. Financial measures, operational efficiency, new ways of working and relationships with stakeholder must all grow together in order to fully achieve the objectives of dynamic organisations.

What we do

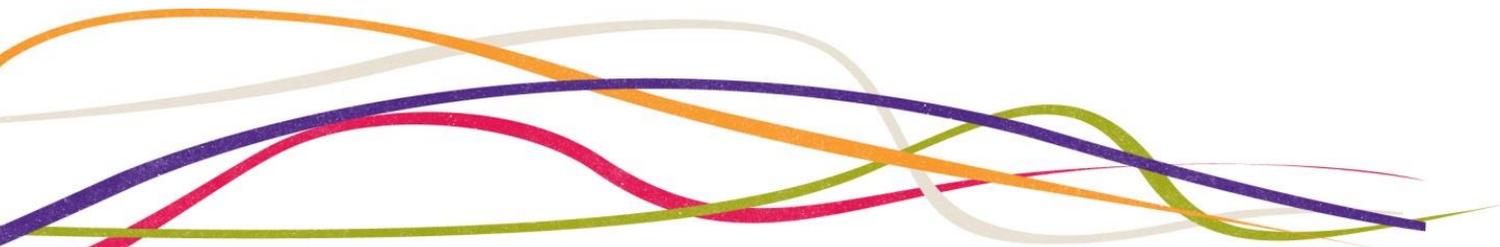

We provide audit and professional advisory services to enterprises, national and commercial banks, financial institutions, governmental, local and international organisations.

We provide a range of services to our clients including:

Advisory

- business recovery (operational restructuring, corporate insolvency, financial restructuring)
- Corporate finance(public to private, private equity advisory, public company advisory, project finance & public private partnerships)
- human resources services.

Legal advisory involves a wide spectrum of corporate legal consultancy ranging from incorporation and liquidation matters, legal representation, litigation, legal advice, provision of legal opinions to execution of due diligence and structuring deals from a legal viewpoint.

Operational advisory

- Business risk services - special attestation services, internal audit, governance and risk management, risk modelling services
- Business consulting services - operational improvement, change and program management, IT management, business intelligence & analytics
- Transactional advisory
- Transaction services - M&A advisory, due diligence, valuations, capital markets: acting as nominated advisory or sponsor
- Restructuring and recovery - advisory on corporate restructuring

Transactional advisory

- Transaction services - M&A advisory, due diligence, valuations, capital markets: acting as nominated advisory or sponsor
- Restructuring and recovery - advisory on corporate restructuring.

- tax risk and investigation management services.

Other services

- international business services
- financial reporting support & advice
- consolidation and reporting.
- companies set up and investors advisory
- business, financial and labour law
- mergers & acquisitions
- financial communications and planning.

Outsourcing services range from set up of accounting systems and regular account maintenance to provision of interim reviews of the accounts and preparing budgets and monthly or quarterly reports. As accountants, we also prepare year-end financial statements and all tax and social contribution returns.

Our global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 42,000 Grant Thornton people, across over 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
