Who we are

Grant Thornton Vietnam was established in 1993 as the leading international firm to operate in Vietnam in audit, taxation, advisory services and outsourcing.

Where we are

We have offices in Hanoi and Ho Chi Minh City.

How we work

We act as independent auditors, advising on restructuring and funding businesses and tax issues. We meet our clients objectives through practical solutions, based on our practice values of integrity, reliability and personal attention.

Our approach to assurance services is focused on enhancing the value of audit services to businesses, ensuring the integrity of financial information and helping to reduce compliance costs. Clients benefit from our proprietary audit software to deliver a cost-effective, risk-based, paperless audit. Our committed tax professionals can maximise your earnings by combining a comprehensive knowledge of tax regulations and the capacity to plan to reduce your taxes. We help corporate clients structure their investments in Vietnam and assist those operating internationally in capitalising on the lowest effective tax rates across multiple jurisdictions.

Grant Thornton Vietnam also helps clients achieve their objectives by developing effective plans and strategies with options such as mergers and acquisitions, equitisation, expansion, new investment, financial restructuring, turnaround and divestiture.

What we do

We provide a range of services including:

Assurance

- a high quality level of service around the world enabling member firms to provide advice about the business operations of your company
- a partner-led service where experienced professionals are involved in all stages
- advanced auditing techniques tailored to the way you do business - whatever the size of your company and wherever you operate
- focus on understanding the important transaction cycles affecting your business
- internal financial controls assessment resulting in practical advice on how they can be strengthened.

Tax

- dealing with the tax authorities
- information update service
- offshore solutions and international tax planning
- tax advice for our corporate clients
- tax due diligence
- tax effective salary packages for expatriate and local personnel
- tax planning for inward investment
- tax seminars and training
- transfer pricing.

Advisory

- business risk services
- business valuation
- equitisation consulting
- forensic
- lead advisory
- listing preparation
- mergers and acquisitions
- recovery and reorganisation
- transaction advisory services.
- project finance.

Outsourcing services

Focus on running your business. We provide:

- Finance function
- Invoicing, data entry, payroll and bookkeeping services
- Monthly, quarterly and annual tax returns
- Monthly financial reporting
